THE STORY SO FAR

Before you start the new adventure, let me tell you what happened in our last one!

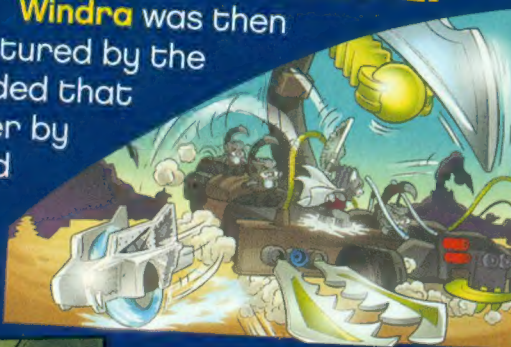

I have to go!

Night Attack!

When I sneaked out of **the camp** to search for the **Wolf Legend Beast**, **Laval** and **Cragger** followed me deep into the jungle. Then we were attacked by **Windra**!

Windra in trouble!

Windra was then captured by the **Scorpions**, so I decided that I would rescue her by myself. **Laval** and **Cragger** were worried!

In the Scorpion cave

It turned out that Windra **had deliberately allowed herself to be captured!** Then, while trying to rescue Windra, I fell from a huge **Scorpion statue!** I didn't come round until Laval and Cragger brought us back to the **camp**. Windra said I had been as brave as a **true Wolf!**

Can you name
all the tribes
on this page?

The Spiders haven't attacked For days! Cragger and Laval are in training so that they are in good shape when the spiders turn up...

Meanwhile, the other heroes have decided to return to Chima to visit their tribes.

Don't Forget your cupcakes!
You're welcome to share them
with your tribes, but don't let
on who baked them!

It's not a
good idea
to leave
the
Outlands.
I sense
that the
Spiders
are up to
something.

But we still have to find
the Lion Legend Beast!

We'll only
be gone
for a day...
You should
take a
break!

Laval and Cragger don't
want to take a break.

We'll look after
everything
here. Say hello
to my Father.

Okay! Bye!

Cragger, pack
your things. We're
taking a trip.

Where
to?

We're going to Spider Canyon!

Laval and Cragger set off to the home of the Spiders.

Look! That's not what I call hiding.

Our enemies could be hiding anywhere!

Spider Queen Spinlyn wants to attack the Lion Temple and is recruiting Spider Soldiers from all over the Outlands...

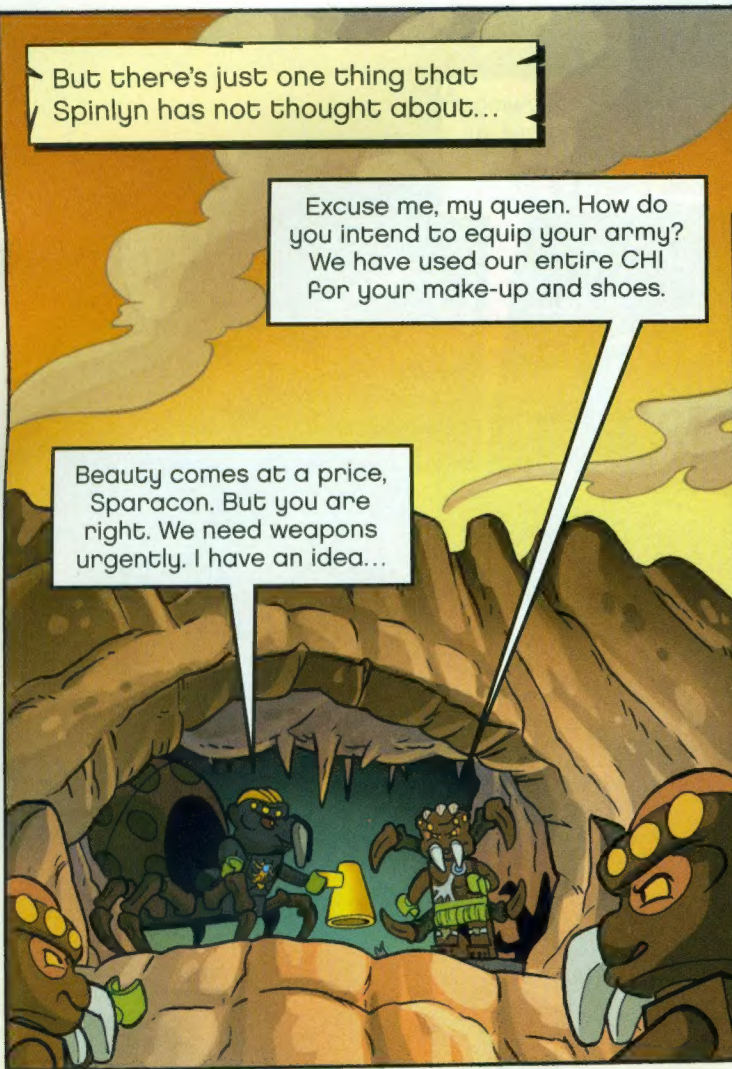

My Friends! I am pleased that you have taken the long journey to Spider Canyon! Today we will overthrow King LaGravis and take Chima!

But there's just one thing that Spinlyn has not thought about...

Excuse me, my queen. How do you intend to equip your army? We have used our entire CHI for your make-up and shoes.

Beauty comes at a price, Sparacon. But you are right. We need weapons urgently. I have an idea...

We need weapons! But don't worry, my Friends! I know a place in Chima where we can get some!

Cragger senses trouble.

The Crocodiles have the biggest armoury in all of Chima. We must warn my mother!

Time to summon your Legend Beast.

I already have!

Meanwhile in the swamp, King LaGravis has ordered a squad of Crocodile soldiers from Queen Crunket – this has made Crooler, Cragger's twin sister, a bit suspicious...

The Lions are supposed to be following our orders, not the other way round. As soon as Chima is freed they'll stab us in the back. Let's beat them to it!

Stop it, Crooler. You have already done enough damage over the last few months. Go to your room and think about it.

Meanwhile, Cragger and Laval have also reached the Crocodile Temple. Crunket is really happy!

My miracle baby! Did you find my husband and free the Legend Beasts?

Cragger tells his mother the bad news...

I'm afraid not. We think that Spinlyn plans to rob our armoury. She has a dozen Spider soldiers and plans to attack the Lion Temple.

Crunket is upset by this news. She decides to send twice as many Crocodile soldiers to King LaGravis.

Crug, put more soldiers on the Croc Boat. But keep two places free. Cragger and Laval are also travelling to the Lion Temple.

As you wish, Queen Crunket.

Meanwhile, Crooler enters her room and gets a surprise

Spinlyn!

Hello! Can I make you an offer?

What do you want?

It's time that we took matters into our own hands. Help me to defeat the Lions and we shall share King LaGravis' throne. The whole of Chima will be dazzled by our beauty!

Crooler wouldn't normally want anything to do with the Spiders. But after the argument with her mother she wants to get back at her Family – so she leads Spinlyn to the Crocodile armoury.

The sentinel statue only allows a true Crocodile to enter the armoury. Anyone else will end up with broken bones... or worse.

Crooler places her arm in the statue's mouth. The lock is released...

... and the armoury is revealed. There are enough weapons for the whole of Chima!

This is the beginning of a wonderful Friendship...

How many knives can you count?

LEGENDS OF
CHIMA

LAGRAVIS

THE WOLVES - DANGER IN A PACK

Always hunting, and hidden in shadow: the Wolves are Chima's wildest tribe.

WORRIZ

If anyone **calls the shots** in the pack, then it's **Worriz**. He is the **leader of the pack** and responsible for **negotiating with the other animal tribes**. He is also a **valiant fighter** and an **important member** of Laval's **search party** in the Outlands.

WINDRA

The **brave She-Wolf** is not just different because of her gender. Her **snow-white coat** makes her something very special. She is **not** particularly patient and likes to **take things into her own hands**.

WAKZ

No other Wolf in the pack is **as old** as Wakz. In a fight he will **stop at nothing** – regardless of whether it is **fair** or **unfair**. But if you're fighting on his side, you'll have a **mighty warrior** beside you.

WILHURT

For Wilhurt, only **two things** in life are important: **fighting** and **hunting**. When he gets bored he can become rather **rowdy**. So it's better to make sure that he **always has a fight to look forward to**.

WINZAR

Fear is an **alien concept** to Winzar. He is always first to **start a fight**. But this comes **at a price**: his entire **body is covered with scars**. If asked about them, he will tell you **the thrilling stories** of how they happened.

The Pack

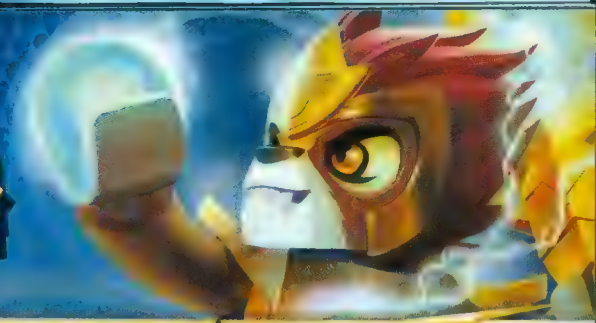

The Wolves live in a **pack**. They are **constantly on the prowl** and never stay in one place for long. They are very good at fighting. But if things are **looking bad for them**, they will quickly get away. The safety of the pack is the most important thing.

Honour the Mothertooth!

Their **most precious possession** is the **Mothertooth**. It belongs to the **Mother Wolf**, who gave the Wolves their powers and was once the **leader of the pack**. The Wolves have developed a **dagger** and an **axe** whose **tooth blades** are like the **Mother Wolf's**

THE SPIDER QUEEN

PART 2

The Spiders intend to use the Command Ship to get into the Lion Temple. Laval and Cragger fight the Spider soldiers bravely.

CLANK!

Look out to the right!

Look out to the left!

CLANK!

And now Sparacon – the strongest of all the Spider soldiers – has turned up!

But there are so many Spiders...

We can't defeat them all.

No!

He quickly tears the sword from Laval's hands...

It's Lion stew for dinner tonight!

Crooler stops
Sparacon just in time...

Stop! We'll deal
with the Lion later.

Cragger and Laval cannot believe their eyes.

You have
joined
Forces
with the
Spiders?

Someone has to put a
stop to the Lions. And as
I can no longer depend
on my own Family...

Let's not waste
time. We need to
get to the Lion
Temple.

Crooler imprisons
the two warriors
on the boat.

I don't believe it.
My own sister
has betrayed me.

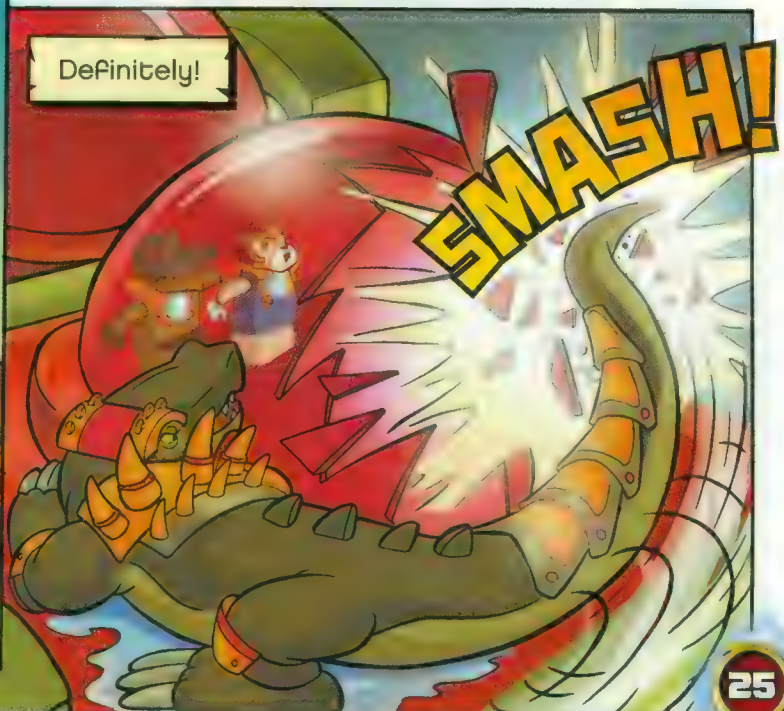

Does it surprise
you? She had us
fighting each
other for months!

Is there no way out for Cragger and Laval?
Luckily, the Crocodile Legend Beast is once
again in the right place at the right time.

Crocodile
Legend Beast!
Can you help us
out of here?

Definitely!

The Crocodile Legend Beast has brought Laval and Cragger to Lion City.

But Laval and Cragger are too late. Spinlyn and her army have defeated LaGravis' troops and captured the Lion Temple.

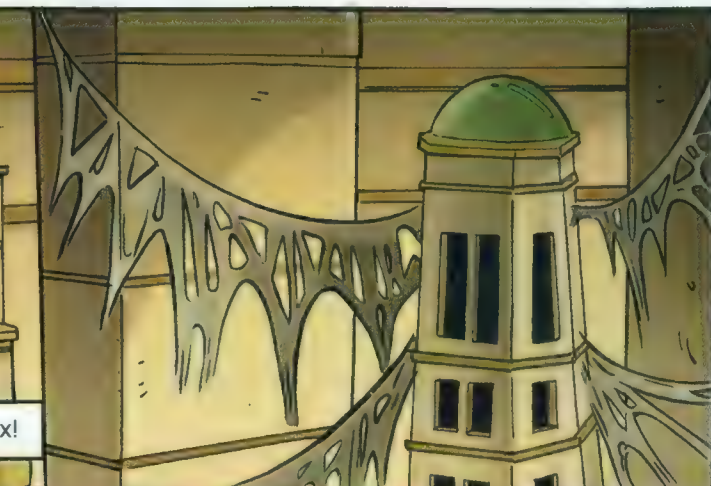

I've always known it. Crocodiles aren't bad. When we get back I'm going to ask Lavertus to bake you a whole tray of cupcakes.

All the Lions are hiding in their houses for fear of the Spiders...

If we hurry we might still catch them up!

Lennox!

Are you all right?

Don't worry about me. I'll be fine. But your Father needs your help.

CHI
BONUS
5

Can you find a Spider hiding in the city?

Spinlyn has made herself comfortable on her new throne. LaGravis is not so comfortable... the Spiders are holding him prisoner!

Get away while you can, Laval!

Listen to your Father. He is a wise man.

Laval and Cragger don't listen.

Not a chance! You will pay for this, Spinlyn!

Yes you will!

But now your Friendship will end once and for all. Let the Lions dance!

What?

How sweet.

Eh?

Leonidas and Lennox are being used as puppets by the Spiders...

Spinlyn loves what she sees!

Please Forgive us, Laval. It's not us. It's the Spiders!

Didn't your mother teach you not to play with your Food?

I never had a mother!

Crooler doesn't like what she sees...

Your Highness, where would you like us to put all the crocodile shoes?

Crocodile shoes?

Crooler has had enough.

It's not what it looks like. I have problems with my joints and there is nothing quite as comfortable as crocodile leather.

I understand...

A Few laser CHI blasts end the Fight!

How dare you? You have breached our agreement. Sparacon, seize her!

PZZZT!

PZZZT!

CHI BONUS 6

How many shots does Crooler Fire?

Crooler then pulls out a Persuader Plant and uses it on Spinlyn.

Oh no you don't! Order your soldiers to go back to where they came from. And take the weapons back to the Crocodiles' armoury!

The scent of the mysterious plant starts to work on Spinlyn...

There is nothing for us here. Chima is even more desolate than the Outlands. Let us go home.

Now that we're back in Chima we should relax for a bit.

Excuse me...

So you've changed your mind about the Lions?

Never! I will never change my mind about the Lions!

Cragger realises that his sister is no longer as bad as she used to be, and that one day they will fight side by side to protect Chima.
